Service

Metal items polished to a mirror finish are naturally subject to scratching. Please do not clean Crumrine products with abrasive cleansers. Use only mild soap and water and a soft polishing cloth suitable for fine metals. Our warranty does not cover damage resulting from abuse, improper handling or normal wear & tear.

Each figure is displayed with a name and size. When ordering match the figure size to buckle size. For multiple figures on one base, list the figure name and size and placement. Give the information to your service rep along with base number desired.
